

CALPS
EXPRESSIONS
2024-25

“Embrace education as a journey, and you’ll appreciate the beauty of every step”.

Dear parents,

We are delighted to announce the following achievements and developments during the year through an adaptive academic plan as per NEP 2024 which was designed with the guidelines and approval of the Chairman Mr. R P Seth, Dean Mr. Nilesh Seth, Principal Mr. C. Srikanth, Head Mistress Mrs. J. Revathy Dasan & Mrs. E. Vijaya Manikyam of the school. The same was implemented for the Academic Year 2024- 25 successfully.

CALPS INFRASTRUCTURE

“Quality education thrives in well-built schools; infrastructure is the foundation where dreams of the future are shaped”

INFRASTRUCTURE DEVELOPMENTS (2024-25)

- The school has setup additional 23 cameras with 4MB pixel for better security outside the school for the children and also the total road coverage can be monitored minutely.
- The school is also equipped with 12 LED Monitors for better Visual understanding for the children.

SCHOOL BASED ACTIVITIES

Yoga Day

Yoga Day is a statewide initiative aimed at promoting physical wellness, mindfulness, and mental health among students, teachers, and school communities. This event is designed to introduce yoga as a tool for enhancing focus, reducing stress, and fostering overall well-being in the school environment. CAL Public school has celebrated with great enthusiasm and zeal.

Yoga, encourage healthy habits among students by integrating physical activities that support flexibility, strength, and relaxation. We make the students to use yoga and mindfulness practices to address stress, anxiety, and emotional challenges faced by students and staff.

Fresher's Day

CALPS has organized Freshers' Day to welcome new students (freshers) into the institution. It is typically filled with fun activities, performances, speeches, and opportunities for new students to interact with their seniors and peers.

It provides a platform to integrate freshers into the college or school environment. Freshers get a chance to meet their seniors, faculty, and fellow batchmates. Breaking the Ice: The event helps break any initial awkwardness and builds camaraderie among students.

Healthy Food and Food Pyramid Activity

Grade 1 and 2 students recently participated in an engaging activity focused on healthy food choices and the food pyramid. The teachers set up a captivating display of various "thalis" (traditional Indian plates) from different states, showcasing the diversity of Indian cuisine and illustrating the concept of a balanced diet with food groups like fruits, vegetables, proteins, and grains. To emphasize the importance of healthy eating, the teachers also displayed examples of junk food and explained their negative effects on the body, helping students understand the risks of unhealthy eating habits. The students were highly engaged, excitedly exploring the different foods and learning about the importance of a well-rounded diet. This interactive experience helped them grasp the value of making informed food choices for a lifetime of wellness. The Grade 1 and 2 teachers deserve recognition for their creative approach to teaching healthy habits, inspiring their students to develop good food values and a deeper understanding of nutrition, setting them on the path to a healthy and balanced lifestyle.

A Celebration of Imagination

This event showcased creativity, confidence, and communication skills in our young. Students narrated different stories confidently and enthusiastically with different props.

"Grandparents' Day Celebrations at CALPS Nursery

The nursery children at CALPS recently celebrated Grandparents' Day with great joy and enthusiasm, creating a heartwarming experience for all involved. Grandparents and their grandchildren participated in fun one-minute games, making lasting memories together. To mark the occasion, teachers prepared a beautiful photo frame for grandparents and grandchildren to take delightful pictures, capturing the love and bond they share. The event was a resounding success, with all grandparents leaving with big smiles and cherished memories. We extend our heartfelt thanks to our dear grandparents for making the day extra special for our little ones.

Exploring the Marvels of the Human Body at CAL Public School

Our students went on an exciting adventure to explore the fascinating world of human anatomy, discovering the inner workings of their own bodies! The objective was clear: to understand the structure and function of body systems, learn about internal organs, and emphasize the importance of health and hygiene. Highlights of the activity included interactive 3D models showcasing the circulatory, respiratory, digestive, and nervous systems. Teachers elaborated on the functions of key organs like the heart, lungs, brain, and liver, while discussions also touched on the importance of nutrition, exercise, sleep, and hygiene. Students got hands-on with system presentations and created creative posters that illustrated organ functions. This engaging experience led to a comprehensive understanding of body systems, sparked critical thinking, and raised awareness about health and wellness. The students shared fun insights like, "I never knew the heart pumps 2,000 gallons of blood daily!" and "I learned how important exercise is for a healthy brain!" Teachers noted how the activity sparked curiosity, with students demonstrating impressive understanding of complex concepts. This interactive journey into science, health, and critical thinking laid a strong foundation for future exploration, leaving everyone with a deeper appreciation for the amazing mechanisms of the human body.

Pre-primary Literacy Academic Fair

The pre-primary students proudly showcased their literacy skills at the academic fair, presenting a variety of concepts such as vowels and consonants, blends and word families, vowel sound words, storytelling techniques, and rhymes. With confidence and enthusiasm, they explained these foundational literacy concepts

to visitors, using engaging props and visual aids to make learning fun and accessible. This event celebrated the students' achievements in literacy, giving them the opportunity to share their knowledge, reinforce their understanding, and build valuable public speaking skill.

Underwater Wonders and Social Media Shenanigans: A Fancy Dress Extravaganza!

Grade 1 and Grade 3 students took part in a fun-filled fancy dress competition with two unique themes: "Life Under Water" for Grade 1 and "Social Media: Boon or Bane" for Grade 3. The Grade 1 students wowed everyone by dressing up as various underwater creatures, confidently sharing fun facts about ocean life and conservation. Meanwhile, the Grade 3 students rocked costumes of popular social media apps, sparking discussions on the pros and cons of social media and raising awareness about its impact. The competition featured a ramp walk, where students showcased their creativity, confidence, and public speaking skills. This exciting event not only helped students gain knowledge about marine life and social media, but also boosted their presentation abilities, creativity, and critical thinking. It was a truly memorable and interactive learning experience that made education both entertaining and impactful!

"Trash to Treasure": The Fabulous Grade 2 Fashion Show!

Grade 2 students took part in a unique fancy dress competition themed "Reduce, Recycle, and Reuse," where they showcased their creativity by making costumes out of waste materials like newspapers, plastic, funny bags, and coconut fiber. The event turned into a mini fashion show as students strutted down the ramp, presenting their eco-friendly outfits with style and confidence. This fun-filled activity not only helped the students learn about sustainability and environmental responsibility but also gave them a chance to express their creativity, improve public speaking skills, and boost their self-confidence. The competition was a delightful and interactive way to blend fashion, fun, and important lessons on protecting the planet!

Sensory skills activity day

Our preprimary students embarked on an exciting journey to explore the wonders of sense organs through a series of hands-on activities designed to engage and enlighten them about the five senses: touch, taste, hearing, smell, and sight. Teachers crafted interactive experiences to stimulate each sense, such as exploring different textures by touch, playing blindfolded games to develop spatial awareness, sampling a variety of flavors to understand taste, identifying sounds from various objects to enhance hearing, and recognizing different scents to sharpen their sense of smell. These activities helped students develop their ability to identify and describe sensory characteristics, while also fostering greater sensory awareness. Through these engaging experiences, students not only learned about sensory processing but also enhanced their creativity, curiosity, and critical thinking skills, gaining a deeper understanding of the world around them. It was a truly enriching learning experience for our young explorers!

Colours Day celebration:

CALPS preprimary section celebrated Colors Day with vibrant enthusiasm, transforming classrooms into a kaleidoscope of primary colors—red, blue, and yellow. The rooms were filled with objects corresponding to each color, creating a visual feast for the students. Through hands-on activities like color dabbling with balloons, ear buds, and vegetables, students developed their fine motor skills while exploring their creativity and learning about colors. A highlight of the day was mixing primary colors to create secondary colors, which mesmerized the students as they witnessed the transformation of red, blue, and yellow into green, orange, and purple. This visual learning experience made the day both fun and interactive, leaving students with a newfound appreciation for colors and the knowledge gained from these engaging activities.

JaaduiPitara storytelling experience and teaching learning materials.

In our preprimary classes, the JaaduiPitara magic box has become a captivating teaching tool, transforming storytelling into an immersive learning experience. Developed in alignment with the NEP, this innovative resource is filled with interactive elements like puppets, masks, and flashcards that bring stories to life, sparking curiosity and delight in young minds. As teachers weave enchanting tales using the JaaduiPitara, students are fully engaged, developing essential skills in listening, comprehension, and imagination. This magical approach to teaching is redefining the classroom, creating an enchanted learning environment where each storytelling session feels like a joyful adventure, eagerly anticipated by the students.

Onam Celebrations at CAL Public School

Our students and primary teachers enthusiastically celebrated the vibrant festival of Onam, embracing Kerala's rich culture and traditions. Students created stunning floral patterns called "Pookalam," using a variety of colorful flowers, capturing the festive spirit of the occasion. A mouth-watering display of authentic Onam food items was showcased, offering a glimpse into the traditional cuisine of the festival. Creative cardboard boats, symbolizing Kerala's iconic Boat Races, were crafted and displayed, highlighting the state's maritime heritage. Students and teachers wore traditional Kerala attire, including Kasavu sarees and Mundu, which added to the festive ambiance. Teachers also explained the cultural and mythological significance of Onam, promoting appreciation for Kerala's heritage. The celebrations fostered unity, creativity, and cultural awareness among the students, making it a memorable and meaningful experience for all.

CCA Competition: Melody Makers

The Melody Makers competition was a unique blend of music, melody, and academic concepts. Primary students dressed in elaborate costumes and used props to participate in this concept-oriented event. They sang songs related to their lessons in social studies, science, English, math, and Hindi, integrating art into their curriculum.

This innovative approach aimed to inculcate art integration into their academic, making education more engaging and fun.

Pre-Primary Storytelling Competition

Pre-primary School hosted a vibrant storytelling competition for pre-primary students. Young storytellers captivated the judge with imaginative tales and colourful props. It was an amazing experience for students to express their creativity and talent. It was a happy moment to see them grow with their confidence.

"My Origami Superhero" Competition by Grade 3

Grade 3 students enthusiastically participated in the "My Origami Superhero" competition, demonstrating their creativity and talent through innovative origami artwork with unique designs and ideas. This engaging activity provided a platform for students to explore their artistic skills, express their imagination, and showcase their originality. It helped develop essential skills such as creativity, problem-solving, fine motor skills, hand-eye coordination, and self-expression, boosting their confidence. The competition also encouraged students to think outside the box and highlight their individuality, making it a fun and interactive way to nurture skills that will benefit them in many areas of life.

CCA Activities in Primary

The students at CALPS showcased their creativity and talent through a range of engaging CCA activities. These included a Rakhi-making competition, where students crafted innovative designs, developing their fine motor skills and cultural awareness; a Solo Buzz performance, allowing students to express their individual talents and boost their confidence; a penmanship competition, which highlighted students' handwriting skills; interactive talk shows to enhance public speaking and communication; and lively fancy dress competitions, where students demonstrated their creativity and presentation skills. Additionally, the school organized a vibrant Freshers' Party to welcome new students, fostering socialization and bonding. The event featured a potluck, music and dance performances, and a talent hunt, providing a platform for students to showcase their skills and develop social-emotional learning. These activities not only helped students build creative and communication skills but also promoted a warm and inclusive school environment, setting the stage for a successful academic year.

Father's Day Celebration

Our school celebrated Father's Day with a heartwarming activity that brought smiles to all the dads. Students expressed their love and appreciation by creating personalized greeting cards using palm and thumbprint techniques. Teachers added a special touch by preparing handmade frames for a father-child photo opportunity, making the moment even more memorable. The celebration was filled with fun activities and games, where parents and students worked together, fostering a sense of teamwork and bonding. The highlight of the day was the assembly event, where fathers participated alongside their children, followed by a beautiful prayer session to express gratitude and love for the special men in our lives. The Father's Day celebration was a resounding success, filled with joy, love, and laughter, creating lasting memories for everyone involved.

Chill with Lemonade Activity

Our students enjoyed a refreshing and educational experience with the "Chill with Lemonade" activity, where they actively participated in preparing and savoring delicious lemonade. The activity helped them understand the ingredients and steps involved in making lemonade, such as lemons, sugar, water, and ice, while also fostering teamwork and communication skills. Teachers guided the students through each step of the process, explaining how to measure and mix the ingredients. This hands-on experience not only developed their fine motor skills but also enhanced their ability to follow instructions and work together. The best part of the activity was when the students relished the refreshing lemonade with joy and excitement, making the learning experience both fun and interactive.

"Sandwich Masters in the Making"

As part of our Work Education program, primary students embarked on a hands-on sandwich preparation activity that combined essential life skills with a dash of creativity. The students learned how to select ingredients, measure them, and practice safe food handling while making their own sandwiches. They also had fun at the Creative Decoration Station, designing sandwich shapes, using various fillings and toppings, and presenting their creations in visually appealing ways. The activity not only helped them understand the nutritional value of balanced meals but also enhanced their creativity, confidence, and teamwork. Students reflected with excitement, saying things like, "I learned to make a yummy sandwich all by myself!" and "I didn't know decorating food could be so much fun!" Teachers noted how this engaging activity helped students develop essential life skills like problem-solving, teamwork, and independence. This fun, interactive session integrated science, math, art, and life skills, empowering our students to become confident, self-sufficient individuals with a new appreciation for food preparation!

Welcome Back to School: Day 1 Celebrations!

The excitement was palpable as our pre-primary and primary students returned to school after the break, with teachers planning an engaging array of activities to make Day 1 a memorable experience. The objectives were to re-establish classroom routines, foster a sense of community, and encourage socialization and teamwork. For the pre-primary students, icebreaker sessions allowed them to introduce themselves using personalized photo frames, followed by gross motor games like obstacle courses, ball toss, and scavenger hunts, as well as arts and crafts activities where they created welcome back posters. The primary students participated in team-building exercises such as the human knot, trust walks, and group challenges. Special activities included motivational assemblies and a buddy system where older students mentored younger ones. Students shared their excitement with reflections like, "I'm so happy to see my friends again!" and "I loved playing the obstacle course with my classmates!" Teachers found it heartwarming to watch students reconnect and make new friends, setting a positive tone for the year ahead. This enthusiastic start energized everyone, laying the foundation for a productive and enjoyable academic year while promoting social-emotional learning, physical education, and relationship-building across the school.

Pre-Primary Fine and Gross Motor Development Activities

As part of our Early Childhood Care and Education (ECCE) program, our pre-primary teachers designed a variety of engaging fine motor and gross motor activities to enhance physical development in our young learners. Fine motor activities included pre-writing exercises like finger tracing, circle drawing, and shape recognition, as well as sensory play such as playdough molding, finger painting, and color sorting. Manipulative skills were also developed through tasks like buttoning, unbuttoning, and using tweezers.

For gross motor skills, students enjoyed outdoor activities like running, jumping, ball tossing, and obstacle courses, while indoor games focused on balance, coordination, dancing, and marching. These activities fostered essential motor skills such as climbing, crawling, and hopping, aiming to improve finger dexterity, hand-eye coordination, balance, and overall physical fitness. By incorporating these activities, we are providing a solid foundation for our students' growth and preparing them for future academic success.

Grade 3 Conceptual Activity: Early Man Tools

As part of their chapter on early man, Grade 3 students participated in an engaging hands-on activity where they created tools used by early humans. This immersive experience helped students better understand early human civilizations and their way of life, while also fostering problem-solving skills, creativity, and fine motor development through crafting. By stepping into the shoes of early humans, students gained a deeper appreciation for the resourcefulness and ingenuity of our ancient ancestors, building a strong connection between theoretical concepts and practical applications. This interactive activity made learning fun, engaging, and memorable.

Grade 1: Exploring the World of Animals Concept Activity

Grade 1 students embarked on an exciting journey to explore the fascinating world of animals, developing a conceptual understanding of farm, wild, and domestic animals. The activity included a vibrant animal display featuring models of cows, pigs, lions, elephants, dogs, and more, which helped students categorize and learn about different species. Through student-led presentations, they confidently shared insights about animal habits such as diet, behavior, and migration, enhancing their communication skills and building confidence in public speaking. This activity not only fostered curiosity and empathy for animals but also laid strong foundations for future science learning, while connecting to language arts and social-emotional development. As students reflected, they shared fascinating discoveries, such as learning that lions live in savannas and hunt together, and that fish have special scales to breathe underwater, making the experience both educational and memorable.

Grade 3 Social Concept Activity: AD-MAD Show

Grade 3 students participated in an exciting AD-MAD show as part of their social concept activity, where they advertised various commercial products, building confidence, public speaking skills, and creativity. Working in teams, students designed and presented their ads, developing critical thinking, persuasive communication, and collaboration skills. This engaging activity allowed them to apply theoretical concepts to real-life scenarios, making learning both fun and interactive. Through their presentations, students not only honed their ability to speak confidently in front of an audience but also showcased their creativity and teamwork, making the AD-MAD show a memorable and educational experience.

Grade 2 Fancy Dress Competition and Ramp Walk: Reduce, Recycle, Reuse and Reuse

Grade 2 students participated in a creative fancy dress competition themed "Reduce, Recycle, and Reuse," showcasing their understanding of sustainability by designing innovative costumes made from waste materials like newspapers, plastic, funny bags, and coconut fiber. The competition included a fun ramp walk, where students presented their eco-friendly creations in a mini fashion show. This engaging event not only allowed students to express their creativity and boost their confidence but also fostered environmental awareness, helping them develop important skills in public speaking, resourcefulness, and responsibility.

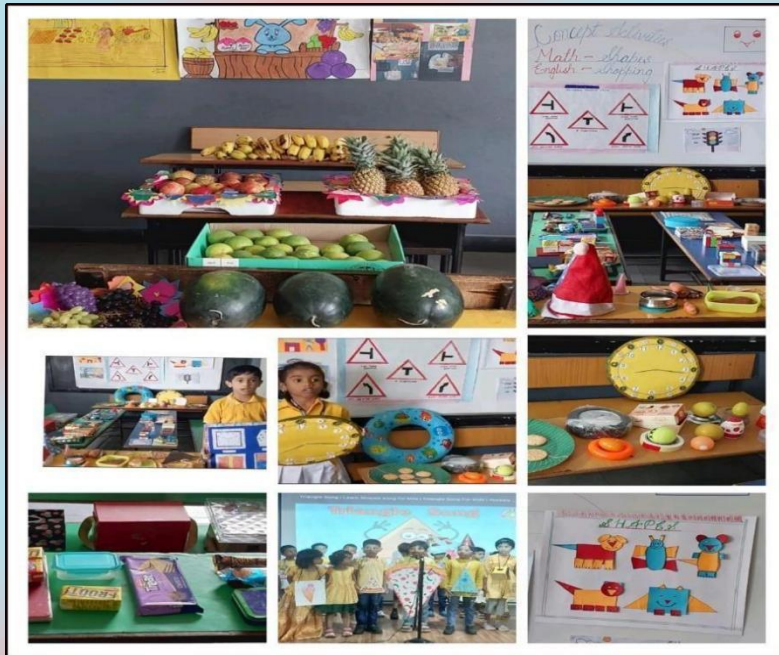

Krishnastami Celebrations in CAL Public School

The pre-primary section of CAL Public School celebrated Krishnastami with great enthusiasm, with students dressed in colorful attire representing characters like Lord Krishna, Radha, and Satyabhama. A highlight of the celebrations was the traditional Handi event, where students joyfully broke a pot filled with butter and milk, symbolizing Lord Krishna's playful act of stealing butter. The day was filled with fun activities, including singing devotional songs, dancing, and playing Krishnastami-themed games. The celebrations not only allowed students to enjoy themselves but also taught them the values of devotion, love, and kindness, instilling an appreciation for Lord Krishna's teachings. The event was a grand success, showcasing the school's cultural heritage and fostering a strong sense of community among students, teachers, and parents.

Grade 1: Exploring Shapes Activity

Grade 1 students embarked on an exciting shapes adventure, exploring various 2D and 3D forms through hands-on activities. The students recognized and identified different shapes, such as circles (frisbees, coins), triangles (chapatis, yield signs), rectangles (dosa, books), and squares (tissues, tiles), while learning about their properties, including corners, vertices, and edges. They also brought shape-themed snacks, such as triangle chapatis, rectangular dosas, and circular sandwiches, making the learning experience both fun and interactive. In addition, students examined 3D shapes like cubes, spheres, cones, and cylinders, developing critical thinking, spatial awareness, and visualization skills. The activity sparked engaging discussions about shape properties and real-life applications, fostering curiosity and creativity while deepening their understanding of the world around them.

Pre-Primary Fine and Gross Motor Development Activities

As part of our Early Childhood Care and Education (ECCE) program, the pre-primary section at CALPS conducted a series of engaging fine and gross motor development activities to enhance the physical growth of our young learners. Fine motor activities included pre-writing exercises such as finger tracing, circle drawing, line formation, and shape recognition, along with sensory play activities like playdough molding, finger painting, and color sorting. Students also practiced manipulative skills like buttoning, zipping, and using tweezers. For gross motor development, children enjoyed outdoor activities such as running, jumping, ball tossing, and obstacle courses, while indoor games focused on balance, coordination, dancing, and marching. Motor skill development was further supported through climbing, crawling, and hopping exercises. These activities helped students improve finger dexterity, hand-eye coordination, balance, and overall physical fitness, providing a strong foundation for their future academic success and personal growth.

Health and Hygiene Activities for Preprimary

The pre-primary teachers at CALPS organized an engaging and educational health and hygiene activity to instill healthy habits and values in young learners. The activity emphasized the importance of cleanliness, good nutrition, and avoiding junk food. Teachers displayed various cleanliness items, such as toothbrushes, soap, and hand wash, to explain the significance of hygiene practices. To promote healthy eating, healthy food options were shown alongside junk food, highlighting their differences and benefits. The concept of health and hygiene was further reinforced through the use of a "Jaadui Pitara" (magic box) and puppets, making the learning process fun and interactive. Key takeaways from the activity included the values of cleanliness, healthy food choices, and the importance of regular hygiene practices. The event was a great success, thanks to the creativity and dedication of the pre-primary teachers.

Grade 2 Activity: Exploring Size and Ability

Grade 2 students participated in an engaging activity focused on exploring size and ability, aimed at developing self-awareness and enhancing their understanding of the relationship between size and capability. The activity involved size sorting, where students categorized tasks into "Too Big," "Too Small," and "Just Right" categories, with real-life scenarios such as riding a bike, playing musical instruments, using utensils, and climbing stairs. Students reflected on tasks they could or couldn't perform based on their size, which promoted critical thinking and problem-solving. This activity helped improve their self-awareness, confidence, and empathy, as they shared insights like, "I'm too small to ride a big bike, but I can ride a kid's bike!" and "I can use scissors, but I need help with heavy books!" Teachers observed that the activity fostered empathy and self-awareness, while encouraging students to think critically about their own physical abilities.

Family Day Celebration in CALPS

CAL Public School celebrated Family Day to help students explore the concept of family and its significance. The event was a resounding success, with children enthusiastically participating in a variety of activities. Students dressed up as different family members, such as fathers, mothers, and grandparents, helping them visualize and connect with the roles and relationships within a family. Through this celebration, they gained a deeper understanding of nuclear families, joint families, and the concept of a family tree, learning about their own ancestry and relationships. Fun-filled activities included family role-play, where students acted out scenarios to promote teamwork and communication, creating their own family trees, and participating in family-themed games and quizzes. The event provided a meaningful learning experience while fostering a sense of connection and appreciation for family.

Cal Public School Celebrates Dussehra with Enthusiasm!

Pre-primary and primary students at CAL Public School celebrated Dussehra with great enthusiasm, transforming classrooms and corridors into a vibrant Dussehra-themed setting. Dressed in traditional attire, students shared sweets with friends and wore 10-headed Ravana masks, creating memorable moments. The celebrations included an engaging stick puppet show that narrated the story of Dussehra, a lively mass Dandiya dance with teachers, and prayers and dances around Bathukamma, showcasing Telangana's cultural heritage. Students also participated in a creative activity, colouring Goddess Durga's face. Through these festive activities, students gained a deeper understanding of the significance of Dussehra and its cultural importance, making the celebrations both fun and educational.

An assessment in listening and speaking skills

An assessment of listening and speaking skills was conducted across all classes, focusing on enhancing students' communication abilities. For listening skills, students participated in story visualization and audio clip activities, answering related questions to demonstrate comprehension, attention to detail, and their ability to follow instructions. In the speaking skills assessment, students engaged in "Pick and Speak" activities, delivering impromptu speeches on selected topics, and participated in group discussions to showcase their fluency, confidence, clarity of expression, vocabulary usage, and engagement with the audience. The objectives of the assessment were to improve speaking and listening skills, build confidence in communication, and develop critical thinking and comprehension abilities.

Celebrating Bravery Through Words

In the month of September, our school proudly organized a Poem Writing Competition, where students showcased their creativity and patriotism by penning down heartfelt poems inspired by Vir Gatha—the tales of bravery of our nation's heroes.

The competition provided a platform for students to honor the courageous men and women who have selflessly contributed to the country's safety and freedom. Their poems were not just words; they were heartfelt tributes to the sacrifices of soldiers, freedom fighters, and unsung heroes who inspire generations.

From eloquent verses describing valor on the battlefield to poignant lines that captured the emotional strength of families who support these heroes, every poem was a masterpiece. The young poets painted vivid pictures of courage and resilience, leaving readers inspired and moved.

The enthusiasm and creativity displayed by the students were truly commendable, reflecting their deep respect and admiration for our nation's brave hearts. This competition not only nurtured their literary skills but also instilled a sense of pride and responsibility towards the country.

We applaud every participant for their wonderful contribution and hope to see more such vibrant expressions of creativity and patriotism in the future!

Literature Enhancement

Celebrating Bravery Through Words

In the month of September, our school proudly organized a Poem Writing Competition, where students showcased their creativity and patriotism by penning down heartfelt poems inspired by Vir Gatha—the tales of bravery of our nation's heroes.

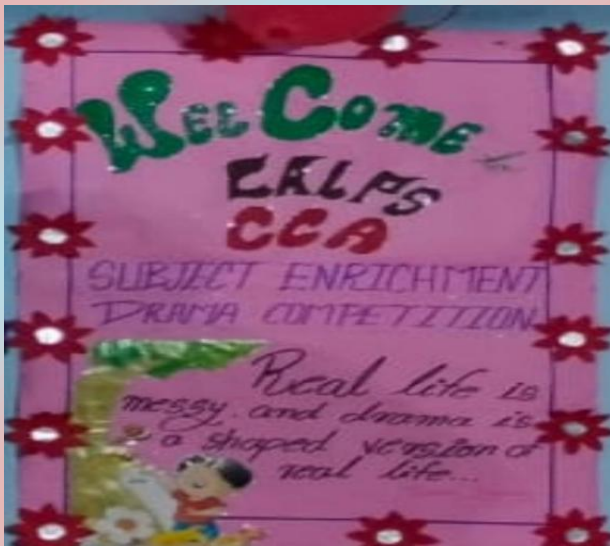

The competition provided a platform for students to honour the courageous men and women who have selflessly contributed to the country's safety and freedom. Their poems were not just words; they were heartfelt tributes to the sacrifices of soldiers, freedom fighters, and unsung heroes who inspire generations.

From eloquent verses describing valour on the battlefield to poignant lines that captured the emotional strength of families who support these heroes, every poem was a masterpiece. The enthusiasm and creativity displayed by the students were truly commendable, reflecting their deep respect and admiration for our nation's brave hearts. This competition not only nurtured their literary skills but also instilled a sense of pride and responsibility towards the country. We applaud every participant for their wonderful contribution and hope to see more such vibrant expressions of creativity and patriotism in the future.

Drama Competition: A Spectacle of Creativity and Learning

On 16th November, our school held an exceptional drama competition showcasing diverse and thought-provoking themes. Among them were Money and Nature Conservation, which depicted humanity's journey from the Stone Age to the present, emphasizing sustainable living and the evolution of currency from the barter system to global currencies. Other performances covered topics like the Working of the Heart, The Wolves of Cernogratz Social Media, and Corruption, blending education with entertainment. Each drama reflected the students' creativity and depth, leaving the audience inspired and engaged.

Co - Curricular Activities

Group Singing Competition

Our school continues to set benchmarks in innovative education! We Combined creative arts like singing competition with academic topics such as English grammar, fractions, and social themes like women's achievements and pollution is truly commendable. It not only makes learning engaging but also fosters holistic development.

Being pioneers in conducting such programs reflects the school's commitment to blending education with creativity, leaving a lasting impact on students and inspiring others to follow this path. This initiative is indeed a significant step forward in making learning dynamic and meaningful.

Group Dance Competition

Our school recently hosted a remarkable dance competition, where creativity and education came together in an extraordinary fusion. The competition not only celebrated the art of dance but also brought academic concepts to life through captivating performances.

The dancers skillfully incorporated verbs into their moves, creating dynamic interpretations of action and expression. A graceful portrayal of Wordsworth's "Daffodils" filled the stage with imagery and rhythm, while the adaptation of animals was brought to life through mesmerizing choreography inspired by nature. Scientific themes like the heart, molecules and atoms, and the essence of unity in diversity were beautifully represented, showcasing the students' ability to connect knowledge with creativity.

This unique blend of art and academics turned the competition into a vibrant learning experience. Each performance was a testament to the students' talent, innovation, and understanding, making the event both entertaining and enlightening. It was a celebration of holistic education, leaving the audience inspired and in awe.

Entrepreneurship Program Event

In July, CAL Public School hosted an inspiring Entrepreneurship Program event for senior secondary students, aimed at fostering innovation, creativity, and entrepreneurial skills. The program introduced students to the fundamentals of starting and managing a business, offering hands-on experience in business planning, marketing strategies, and teamwork. The event began with an insightful talk by a guest entrepreneur, who shared real-world experiences and challenges, motivating students with valuable lessons on resilience, adaptability, and innovation. A key highlight was the business pitch competition, where students, divided into teams, presented their innovative business ideas with mockup products, marketing plans, and financial projections. The teams showcased creative solutions to everyday problems, while teachers and guest judges provided feedback to help refine their ideas and develop critical thinking skills, encouraging students to think big and pursue their entrepreneurial dreams with confidence.

Freshers' Day Extravaganza 2024 - A Grand Welcome for Class 11!

Cal Public School welcomed its new batch of Class 11 students with a vibrant Freshers' Day celebration, filled with warmth, camaraderie, and enthusiasm. Held in the school auditorium, which was beautifully adorned with a "Freshers 2024" backdrop, the event became a cherished memory for all. The program began with a heartfelt address from senior students, followed by lively performances, including traditional and modern dances, melodious singing, and engaging skits. The freshers, dressed in elegant ethnic attire, showcased their talent, confidence, and charm. A highlight of the event was the "Freshers' Walk," where students confidently graced the stage, followed by interactive games and a talent show that fostered bonding and teamwork between juniors and seniors. The evening concluded with a vote of thanks, as the freshers expressed their gratitude for the warm welcome and the memorable start to their journey at Cal Public School, setting a positive tone for the academic year ahead.

Orientation Programme

CAL Public School conducted a successful Orientation Program aimed at familiarizing students and parents with the academic curriculum, school policies, and the vision for the upcoming academic year. The program began with a warm welcome from the principal, who emphasized the importance of collaboration between teachers, students, and parents to achieve academic excellence. Teachers then took the spotlight to provide detailed insights into the curriculum, assessment patterns, and extracurricular activities for the year, highlighting key subjects, teaching methodologies, and available resources to support student learning. The focus was on creating a holistic learning environment where students can thrive academically and personally. Parents were also given the opportunity to ask questions and clarify any concerns, fostering transparency and strengthening the relationship between the school and the parent community. Overall, the Orientation Program set a positive tone for the academic year, reinforcing the school's commitment to providing a nurturing environment that supports students' holistic development and success.

Teachers' Day Celebration

On September 5, 2024, CAL Public School celebrated Teachers' Day with great enthusiasm, honoring the dedication and invaluable contributions of its educators on the birth anniversary of Dr. Sarvepalli Radhakrishnan. The day was filled with joy and gratitude as students expressed their appreciation through a cultural program featuring dance performances, skits, and songs dedicated to teachers. The skits, highlighting humorous classroom scenarios, celebrated the unique qualities of each teacher and the special bond between students and their mentors. The event concluded with the school management presenting tokens of appreciation to each teacher, acknowledging their relentless dedication and passion. Teachers expressed their gratitude for the warm celebration, and students left with a renewed appreciation for the mentors who guide them daily. The 2024 Teachers' Day celebration was a memorable occasion, reflecting the respect and affection between students and teachers, and underscoring the profound impact teachers have in nurturing, inspiring, and supporting their students.

CAMPAIGN FOR ELECTION

Campaign for Election by 3rd and 4th Class Students

Our 3rd and 4th class students recently conducted a vibrant and insightful social activity—an election campaign. The students formed different political parties and presented their party manifestos with great enthusiasm. Each party outlined their key goals, focusing on critical aspects like education, employment, medical facilities, and basic amenities, emphasizing the importance of saving farming practices. The children passionately spoke about their vision for a better future, where quality education is accessible to all, job opportunities are abundant, and health services reach every corner of society. They also highlighted the importance of improving basic infrastructure and protecting farming, recognizing its vital role in sustaining the community. The activity not only sparked creativity and teamwork but also raised awareness of important social issues among our young minds.

5th Class Election Program

The 5th class students at CAL Public School successfully conducted an informative and well-organized election program, highlighting the importance of voting and the electoral process. The students introduced the election committee and explained the significance of voting in a democracy. They created a unique opportunity for students from the 3rd, 4th, and 5th classes to cast their votes. The election was conducted with utmost diligence, as ID cards were checked, and election officers were stationed at various points. The booth was well-managed with the support of patrolling police, ensuring smooth and fair voting. The entire event was a great success, demonstrating leadership and civic responsibility.

MOCK PARLIAMENT

Mock Parliament Program by Classes 6 & 7

The 6th and 7th classes at CAL Public School recently conducted an insightful Mock Parliament session, where students took on roles of ministers and engaged in meaningful discussions on crucial social issues. During the Zero Hour, they raised key concerns, such as the importance of women's safety and the urgent need for nature conservation.

The students also explored ways to prevent natural disasters like landslides, drawing lessons from the tragic incident in Wayanad, Kerala. In a significant step forward, the students passed an energy-saving bill, emphasizing the need for sustainable practices to safeguard the environment.

The event was a remarkable blend of learning and leadership, where students not only honed their debating and decision-making skills but also showcased their commitment to pressing global issues, all while experiencing the workings of a parliamentary system.

Model United Nations (MUN)

The Model United Nations (MUN) event held at CAL Public School in October 2024 was a memorable experience, marked by insightful debates, collaborative discussions, and impactful resolutions. Students from various grades, dressed in formal attire, represented different nations and deliberated on pressing global issues, fostering diplomatic skills, enhancing public speaking, and encouraging a global perspective. Participants showcased their knowledge and passion for international affairs, debating topics ranging from global economic policies to international security. The event featured multiple committees, including a mock session of the United Nations Security Council and a discussion modeled after the G20 summit. Beyond being an academic exercise, the MUN event provided students with invaluable life skills, leaving them with increased confidence, a deeper understanding of global issues, and a passion for positive change.

Our Memorable Visit to the Orphanage

A Heartwarming Experience with the Children of Orphanage. In the month of October 2024, our students and teachers from **CAL Public School** visited the local orphanage, bringing joy, gifts, and companionship to the children there. The purpose of the visit was to connect with the children, share moments of learning and play, and provide support to the orphanage. This heartwarming experience was an opportunity for students to gain perspective and make memories that will last a lifetime.

The visit to the orphanage was more than just a school trip; it was a journey of empathy, kindness, and mutual growth. Our students left with a deep sense of appreciation and a desire to continue supporting the orphanage in any way they can.

Children's Day Celebrations

On November 14, 2024, CAL Public School celebrated Children's Day with great enthusiasm and joy, honoring the young hearts and minds that bring life to the school, while also paying tribute to Pandit Jawaharlal Nehru, India's first Prime Minister, on his birth anniversary. The festivities kicked off with a warm welcome from the teachers, who had organized special activities to entertain and engage students of all grades. The event featured lively performances, including dance, skits, and music, with teachers taking the stage and delighting students with their vibrant displays. The students responded with loud cheers and applause, enjoying the chance to see their mentors in a new, fun light. This year's Children's Day celebration reminded everyone of the importance of joy, laughter, and the cherished moments that make school life unforgettable. CAL Public School looks forward to many more such celebrations that bring the entire school community together in the spirit of happiness and love.

Academic Fair Entrhals Students at CALPublic School

Cal Public School celebrated its much-awaited Academic Fair on 23 November with great enthusiasm and participation from students, teachers, and parents alike. The event showcased a variety of exhibits, highlighting students' academic achievements across disciplines such as science, mathematics, literature, and social studies. Students displayed innovative models, conducted live demonstrations, and explained complex concepts with confidence and clarity.

One of the major attractions was the science corner, where budding scientists presented eco-friendly projects and experiments. The literature section celebrated creativity with book reviews, storytelling, and a wall of inspirational quotes. Parents appreciated the effort put into the event and lauded the students' hard work.

Achievements of CALPS 24-25

A Year of Glory and Triumph

The academic year 2024-25 has been a remarkable journey for CALPS, filled with outstanding accomplishments by our talented students across diverse arenas. Here are some of the highlights that made us proud:

Nitesh Naik, a student of Grade 10 Einstein, has achieved a remarkable milestone by being selected to represent HCA in the Under-16 category. His hard work and dedication have brought him this well-deserved recognition. We wish him continued success in his sporting journey.

We are proud to announce that Master Chintakunta Chakradhar of Grade 10-Edison has won a Bronze Medal in the final round of the International Astronomy and Astrophysics Competition 2024.

This prestigious competition, organized by an independent international organization, attracts high school and university students worldwide. Master Chakradhar's exceptional performance has placed him among the top 30% of participants globally, earning him the Bronze Honour. His achievement is a testament to his dedication and brilliance.

We are delighted to announce that Master Sheikh Taha of Class 9-Einstein has been selected as one of the SPOT 100 GENII by the Vikram Sarabhai Science Foundation.

This prestigious recognition celebrates his exemplary scores in the National SPOT 100, where he has been chosen among the Top 100 Young Science Talents in India. This remarkable achievement reflects his dedication, intellect, and passion for science.

Winning a Gold Medal in Basketball is a remarkable achievement and a true testament to your hard work, skill, and teamwork. This victory of class 9 reflects their dedication and perseverance, both on and off the court.

Niesha Enja showcased her incredible talent by competing in the Karnataka State Lawn Tennis and Asian Junior Under-14 tournaments, held at the KSLTA Tennis Stadium from December 9th to 14th, 2024. She secured third place in Singles and reached the Semi-Finals in Doubles, a commendable feat in such a prestigious competition.

Diya ousts top seed Jahnvi; qualifier Kian rolls past Sanjay

BENGALURU, DHNS

Diya Ravikumar Janaki scored a shock win over top seed Jahnvi Tammineedi in the girls' quarterfinals of the KSLTA-Asian Junior (U-14) tournament at the KSLTA tennis stadium here on Wednesday.

The eighth-seeded Diya's lopsided 6-3, 6-1 win helped set up a semifinal showdown with fourth seed Niesha Enja, who scored a comfortable 6-2, 6-2 win over American Mithravinda Sathish in another quarterfinal.

Meanwhile, Krishika Gautam's giant-killing act continued. The wildcard entrant overcame No. 3 Ayessha Bagla 6-1, 5-7, 6-0 in the quarterfinals.

In the boys' section, qualifier Kian Patel scored a splendid come-from-behind win over third-seeded Sanjay Girish Kumar in the quarterfinals. Patel scored a 4-6, 6-1, 6-0 win to set up a semifinal meeting with fellow Indian Arjun Manikandan, who outplayed giant-killer Rithish Abinav 6-3, 6-2.

Niesha Enja returns during her win over Mithravinda Sathish at the KSLTA-Asian Junior (U-14) tournament at the KSLTA stadium in Bengaluru on Wednesday. DH PHOTO/SK DINESH

Doubles: 3-Armaan Dua/ Arsh Kathuria bt Vir Chatur/ Aarav Mulay 6-3, 7-5; Monodip Dey/ Shahbaaz Singh Sanghera bt M Dhanush/ Dheer Hemang Vadodaria 6-1, 6-1; Yash Kumar/ Aarav Chhallani bt 1-Rhumaan M Mahesh/ Sanjay Girish Kumar 5-7, 6-4, 10-8; 4-Madhav Dadhich/ Arjun Manikandan bt Daivik Kalvakunta/ Nikunj Khurana 6-3, 6-3.

Girls: Singles: 8-Diya Ravikumar Janaki bt 1-Jahnvi Tammineedi 6-3, 6-1; 2-Padmipriya Ramesh Kumar bt 6-Parinitha Kutti Vattaprambil 7-6 (7-2), 6-2; Krishika Gautam bt 3-Ayessha Bagla 6-1, 5-7, 6-0; 4-Niesha Enja bt 5-Mithravinda Sathish (US) 6-2, 6-2. Doubles: 3-Ayessha Bagla/ Diya Ravikumar Janaki bt Sara Fengse/ Ira Tripathi 7-6, 6-0; 2-Mithravinda Sathish (US)/ Niesha Enja bt Krishika Gautam/ Nalyaazhini K 3-6, 6-2, 10-4; Parinitha K Vattaprambil/ Eshitha Sriyala bt 4-Zoha Qureshi/ Shazfa Wania SK 7-6, 6-1; 1-Jahnvi Tammineedi/ Padmapriya Ramesh Kumar bt Dhriti Sandra Bantupalli/ Ani Punaganti 4-6, 6-1, 10-4.

Teamwork and skill led our U-18 Boys Basketball Team to win the Bronze Medal at the Swamy Narayana Gurukul Interschool Competition. This victory is a testament to their hard work, resilience, and the spirit of collaboration. Congratulations to the team for their exceptional performance!

We extend our heartfelt congratulations to Master Guru Sharan of Class II for his incredible performance in the SFA 50 Meter Run Championship (Under 7 Category). His remarkable feat of securing the Gold Medal is a proud moment for the school.

Kudos to Kumari Shiva Bindhya of Class XI for her exceptional achievement in the 2KM Individual Pursuit Event, where she secured the Gold Medal. This event was part of the prestigious Asmita Khelo India Women's Cycling League, showcasing her strength and determination.

Kumari N. Spoorthy of Class XI CEC brought laurels to CALPS by winning the Gold Medal in KATA, held at DRS International School, Kompally, on October 24th and 25th, 2024. Her dedication and excellence in Karate deserve high praise.

Kumari Neha Marreddy of Class V displayed her incredible tennis skills at the SFA Tennis Championship Season 6, held at LB Stadium, Hyderabad. She won the Gold Medal in the Under-10 category and a Silver Medal in the Under-12 category, making her a shining star of CALPS.

Master Aarush of Grade IV showcased his swimming talent by winning a Silver and Bronze Medal in Swimming Freestyle (Under-10 category). This competition, conducted by the Telangana Rural Games Association at V.V Swimming Pool, was a platform where he proved his prowess.

CBSE HERITAGE INDIA QUIZ

A celebration of India's rich cultural legacy

The CBSE Heritage India quiz is an annual quiz competition organised by the Central board of secondary education CBSE to promote awareness and appreciation for India's rich cultural heritage among school students. The quiz aims to encourage students to explore and learn about India's diverse history, art, architecture, literature and culture. A total of 3000 schools under RO Vijayawada (Telangana and AP) Preliminary round which was in the month of October 2024. Out of which 30 schools were selected 6 teams qualified for the prestigious podium round and CALPS was one of them.

In the second round, we secured 3rd place. Our school is proudly represented by a talented trio KNVLN Prakash 11th class, Moksha Akshar & Ch Jayaram Chaudhary of class 10th. Their dedication and hard work have brought them this far and we are confident that they will make us proud once again.

Indica Quiz

"A test of mettle for young minds"

A celebration of knowledge and innovation. The Indica quiz, a prestigious quiz competition was held on 30/11/20 24 at Birla planatorium. The events of participation from students across the country all vying to showcase their knowledge of India's diverse history, culture and heritage. In the preliminary round 500 teams with thousand students participated,

Out of which our team were top joints highest scorers which included 2 teams

Team 1 - KNVLN Prakash, BandiRevanth

Team 2 - MokshAkshar and D.V Aneesh Kumar

We are proud to announce that two times from our school were selected to participate in the Indica final quiz round. Although only one team was able to advance to the podium round Team 1 - KNVLN Prakash 11th class & BandiRevanth class 10th to represent our school. Congratulations to KNVLN Prakash and B Revanth on their outstanding achievement! They secured the second price in the quiz competition winning a cash price of 2000 each and a certificate. Their dedication and teamwork have paid off and we are thrilled to see them succeed.

These achievements are a reflection of the hard work, talent, and dedication of our students, guided by the unwavering support of their mentors and the school. Congratulations to all the achievers for bringing glory to CALPS. May the coming year be filled with even greater accomplishments!

Thank
You
